**Subject:** SCE&G RATE HIKE

Dear Commissioner Whitfield,

Please do not approve another rate hike for SCE&G. It seems like every other week they are trying to increase your light bill. My light bill was 400.00 in the month of January and the latest went down a little from that. Families are already hurting in this recession. I think it is very unfair for them to keep asking to raise rates, when people are barely making it and we have to have electricity to survive.

Thank you for listening to my concerns.

Sincerely,

Sylvia Brown, CPC
